****A \$50 processing and administration fee will be waived for those members who sign up for a membership plan no later than December 19, 2024. A \$250 processing fee is added to members who use CareCredit to pay for their plan regardless of date of purchase.**

TERMS AND CONDITIONS:

Membership fee is paid in full once per year at the beginning of the year (January) or once the patient joins.

Entire membership fee is non-refundable once paid.

Memberships are non-modifiable.

Membership cannot be combined with any other dental insurance plan.

Membership Fee charged is charged and services are rendered during each calendar year (January 1- December 31) regardless of when the patient joined during the year.

It is the patient's responsibility to schedule their next cleaning or service at each visit.

All diagnosed treatments must be completed within the paid membership year to receive the 15% discount.

TPD will not assist in BILLING any insurance plan, supplemental plan, or dental discount program plan that a patient has as this membership is exclusive to its members to TPD and cannot be used in conjunction with any other plan.
